

### **Kidz R Important**

Exploration of Youth in the Bible

#### **Purpose**

Children and youth are often told “No”, “You Can't”, or “You're Too Young” to fill a meaningful role in God's plan. Oh, the adults will smile, pat them on the head and say, “Good job! But now go play while we do the real work.” Children need to hear that they are important to God and have the ability to do great things!

This fun comedy and magic show discusses several young people from the Bible that God used to fulfill His plan.

#### **What will the children learn?**

Famous people in the Bible who were young.
